

BACK TO SCHOOL NIGHT 2011-2012
Thursday, August 18

The purpose of Back to School Night is to give parents the opportunity to meet their student's teachers and to gain insight into course requirements. We ask that you not become involved in a lengthy discussion about your child and his/her needs. If you have a specific question, call or e-mail the teacher or the counselor to make an appointment.

Back to School Night allows you as parents to follow an abbreviated schedule for your student. Schedules, name tags, and NetClassroom access codes will be distributed at 7:25 in the student's homeroom. After homeroom, classroom visits will last for ten minutes each. There will be five minutes between classes.
